Kewanee Hospital is dedicated to maintaining and improving the quality of health care for the communities we serve.

Your caring support enables us to keep up with the rapid changes in medical technology, providing you and your family with the most up-to-date services available.

The Kewanee Hospital Foundation encourages individuals to join the Heritage Club, a group of lifelong philanthropists who share a vision for a healthier future.

Individuals who have provided for Kewanee Hospital in their estate plans are recognized as lifetime members of the Heritage Club.
